

# SPONSORSHIP

Thank you for considering ParrotDog as your sponsorship partner. ParrotDog is always interested in supporting worthy causes, events and companies in both our local and wider communities.

Recently we have supported art exhibitions, film festivals, fashion shows, music events, school fundraisers, local entrepreneurs, emerging companies, and various charities.

ParrotDog receives a vast number of requests for sponsorship but unfortunately we cannot support every applicant. ParrotDog is brewed using expensive ingredients, which means the cost of producing our product is very high. We therefore offer our product at a discounted rate rather than free of charge, to those we wish to support.

If you would like to apply for sponsorship please provide answers to the following questions via email or post. Please note that applications should be received one month in advance to give us time to process your request.
